Oldham MB Primary School

Description of Building: age, style, notable/original features, significant alterations, general state of repair.

Built by West Riding to replace public subscription and later church school Kilngreen. 1927, Original millstone grit building with central corridor with 3 classrooms to south elevation and two smaller rooms either side of large hall to north. South elevation central bay gabled with copings and 3 windows with sandstone sills and lintels, windows repeated on other two bays, basement door with steps and 3 in-filled windows. East elevation, deeply recessed central doorway with doorway topped by 15 horizontal paned fan light, framed by ashlar pilasters. North elevation, large central middle bay with 4 large windows of which 2 are arched extending up into the 2 central false gables, ashlar coping stones, west bay has 3 light mullion window and 2 square ones on the east bay. Roof blue slate. Original features extant; Roof, window style but not original frame. Some wall boundaries to west. Alterations & extension of front elevation & to west elevation. Good repair

Interesting features of the surroundings of the building/ its setting?

Original setting surviving intact; Gate posts, fan light, south west approach steps. Original wrought iron fencing renewed. Adjacent playing field with original Kilngreen tennis courts now a multi sports surface.
