Description of Building: age, style, notable/original features, significant alterations, general state of repair.

Much changed laithe house with additions and evidence of earlier architectural features. E/M 18C with 20C extensions. 2 storey, 5 bays, double depth hammer dressed watershot sandstone. Replaced blue slate/tiled roof. Front elevation: right bay 1: shippen doorway with square faced stone surround and heavy stone lintel. Bay 2: glass infill doorway most likely replacing barn door. Bay 3: ground floor rebuilt doorway and 2x2 light square faced mullion window of which one is possibly original, 1st floor 1 inserted window and 4 light square faced mullion window. Bay 4: remnants of corner quoins with reused 4 and 2 light chamfered mullion windows to both floors. Bay 5: 20C extension. Rear single storey cat slide roof extensions. Good repair.

Interesting features of the surroundings of the building/ its setting?

Accessed from Huddersfield Rd Standedge. Ornate gate posts not original
